# Summer Work 2024

STUDENT NAME:\_\_\_\_\_

## **Summer Work Information**

### Why do you have summer work?

Summer is a great time of the year! We all need time to rest and recharge, but we also need time to prepare for what is to come. To help you prepare for the next school year, we believe it is important to continue to problemsolve, think critically, respond creatively, and communicate appropriately. To accomplish these goals, we have an established summer routine that will consist of reading, writing, and math.

### How do you turn in summer work?

A paper copy of your summer work is due to your homeroom teacher on the first day of school. Please do not email your summer work to your teacher over the summer. You may also choose to bring your work to Teacher Meet and Greet in July.

### How will your summer work be graded?

You will receive a Math classwork grade and an ELA classwork grade for your summer work.

### How do we communicate this summer?

We have emailed all parents a copy of the summer work packet, sent a copy home with you, and there will be an extra copy of the summer work packet on LOA's website. We will check our email intermittently throughout the summer. If you should have any questions or should need to contact us, please email one of us at:

### **Teacher Introductions**

ELA- Hi! My name is Emily Brown and I am looking forward to my 3rd year at LOA! I have been working in education for 11 years now. I am a graduate of The University of Southern Mississippi in Hattiesburg. I have been married for 19 years to my husband, Tony. We have 2 children, Hayden (18) and Katie Allyn (15). We moved to Georgia 2 years ago and absolutely love it here! I love to spend my time with my family watching my son play baseball and my daughter cheer. My favorite thing to do is to go to the beach! I spend most of my summers there! We are going to have a GREAT year in ELA!!!!

MATH- Hello! My name is Nellie Wilson. I am so excited to kick off the school year! I am a lifelong resident of Eatonton, GA. This will be my 6<sup>th</sup> year teaching and my 6<sup>th</sup> year at LOA. I have been married for 2 years to my husband, Cameron. We are expecting our first child this September. We are so excited! We have 2 dogs Zeus (10) and Molly (2). Aside from teaching, I enjoy crafting, snow skiing, and kneeboarding. I am a graduate of Middle Georgia State University from which I received my Bachelor's degree in Early Childhood Special Education. I received my Master's degree in Education at Walden University. I received my ED.S. degree in Elementary Education from Augusta University. My favorite places to vacation are Big Sky, MT and St. Augustine Fl. I am looking forward to a GREAT year! We are going to make math so much fun!

SOCIAL STUDIES- Hello! My name is Jennifer Lewis. I will be your social studies and writing teacher! I am originally from the Atlanta area and attended Georgia Southern University, which is where I met my husband! We have 2 daughters. Weslie is 17 and Leighton is 12. We have 2 dags named Belle (9), Milo (1) and a cat named Noodle (3). I have a Masters Degree in Early Childhood Education and have taught for 20 years. I have been at LOA since 2007 and have enjoyed seeing all my students grow throughout the years! I love spending time with my friends and family, shopping, traveling, and reading mystery novels! We are going to have an amazing year in social studies and 4th grade!

SCIENCE- Hello! My name is Alexandria Carlton and I'm so excited for a brand new school year! This will be my 12th year teaching and 10th year at LOA! I've been married for 10 years to my husband, Hank, and we live in the Liberty Community in White Plains. We have 3 children, Kendall (8), Beau (5), and Brooks (1) as well as 2 dogs, Cooper & Jake! I graduated from Georgia Southern University with my Bachelor's degree in Early Childhood Education in 2012. I graduated from Piedmont University with my Master's degree in 2014 and graduated from Georgia Southern University with my Education Specialist degree in Spring of 2018. I love spending time with friends and family, shopping, riding side by sides, and spending time on the lake & at the beach during the summer. We are going to have so much fun in Science this year!

# Reading Choice Board

### Letter to the Author

Write a letter to the author. Tell him or her what you liked or disliked about the book. Let them know what you thought of the character in the story.

### Compare & Contrast

Choose two characters from the book. Compare and contrast them. How are they alike? How are they different.

### New Ending

Write a new ending for the book. It should be at least 2 paragraphs long.

The End

### Connect to Self

Write a paragraph about how you connected to the book. Do you have something in common with a character? Have you been in similar situations?

### Timeline Time

Create a timeline for the important events in the book. Illustrate at least 3 of the events.

### New Title & Cover

Brainstorm a new title
for the book. Then,
redesign the cover.
After you have finished,
write a paragraph
explaining why you
picked that title and

Pretend you are going to join the main character in the story for a day.
Write a journal entry about that day.

### Book Review

Write a book review for this book. First, summarize the book. Then, tell how you felt about it. You may want to include stars, thumbs up/down or some other rating!

### Alphabet Sentence

cover design.

Write a sentence about this book starting with each letter of the alphabet. You should have 26 sentences when you are done. You may have to get creative with "X"!

Pick ONE book from the following list. After reading, choose ONE activity from the choice board to complete.

### Tales of a 4th Grade Nothing by Judy Blume

Two is a crowd when Peter and his little brother, Fudge, are in the same room. Grown-ups think Fudge is absolutely adorable, but Peter and his pet turtle, Dribble, know the truth. From throwing temper tantrums to smearing mashed potatoes on the wall, Fudge causes mischief wherever he goes!

### I Survived, The San Francisco Earthquake, 1906 by Lauren Tarshis

Ten-year-old Leo loves being a newsboy in San Francisco -- not only does he get to make some money to help his family, he's free to explore the amazing, hilly city as it changes and grows with the new century. Horse-drawn carriages share the streets with shiny new automobiles, new businesses and families move in every day from everywhere, and anything seems possible. But early one spring morning, everything changes. Leo's world is shaken -- literally -- and he finds himself stranded in the middle of San Francisco as it crumbles and burns to the ground. Does Leo have what it takes to survive this devastating disaster?

### The Tale of Despereaux by Kate DiCamillo

Welcome to the story of Despereaux Tilling, a mouse who is in love with music, stories, and a princess named Pea. It is also the story of a rat called Roscuro, who lives in the darkness and covets a world filled with light. And it is the story of Miggery Sow, a slow-witted serving girl who harbors a simple, impossible wish. These three characters are about to embark on a journey that will lead them down into a horrible dungeon, up into a glittering castle, and, ultimately, into each other's lives.
