

Lake Oconee Academy

Please find attached the monthly financial activity reports for Lake Oconee Academy for the month of June including a report of assets, liabilities, and net assets as well as a report of revenue and expenses. The financial activity reports are designed to provide citizens, taxpayers, authorizers, regulators, investors, and creditors with a general overview of the school's financial activity and to provide transparency and accountability to the school's stakeholders for the funding the school receives.

The accompanying financial activity reports have not been reviewed or audited and no opinion as to their fairness, accuracy, comparability, or predictive value is expressed or offered. Amounts reported in the accompanying financial reports are subject to revision and change as a result of interim adjustments, errors, misclassifications or other factors. These reports should not be considered a comprehensive representation of the School's cash generation performance and should not be relied upon as the sole basis for lending, investing or donor decisions.

If you have questions about these reports, please contact the school.
